

## SAMARITAN COUNSELING CENTER

### Happy Thanksgiving, Merry Christmas and Happy Hope Filled New Year!

People make a difference in our lives. So we pause to give thanks, express gratitude, send greetings, and give gifts.

- Samaritan Friends – Thank you for caring about the well being of people in our community.
- Samaritan Counselors - Thank you for pouring out yourselves to bring people healing and hope.
- Samaritan Clients - Thank you for letting us share in your growth and your success.
- Samaritan Directors - Thank you for ensuring resources are best being used to help people.
- Samaritan Staff - Thank you for serving the hurting in the midst of daily details.
- Samaritan Partners - Thank you for seeing needs and providing resources to meet them.
- Samaritan Volunteers - Thank you for giving time, energy and expertise to impact lives.

GRATITUDE is a great gift, one we wish to share during this season. So for every person we've met, who has called, advocated, assisted, donated, worked hard, collaborated, provided, prayed, stuck with it, stayed, made referrals, made a difference, made us smile, made it worth it, and made it all possible for 38 years: we thank God, and we thank you!

TOGETHER we are giving valuable gifts and journeying into new places.

MOVING forward into the New Year, Samaritan has new opportunities, including relocating our offices in February 2012. Join us in prayer for the resources needed to make a great transition into a new space, to expand and strengthen our ability to serve more people.

SUPPORTING the continued mission of Samaritan Counseling Center, brings healing, hope, and forgiveness to families, couples, individuals, and children. *Please mail a yearend tax-deductible charitable gift in the enclosed envelope today.*

PEOPLE WHO NEED HEALING AND HOPE are calling Samaritan, and we're committed to be here to help them for many years to come.

With thanks,

*Doug McKown*

Doug McKown, Psy.D.  
Executive Director  
*On behalf of the Samaritan Team*
