### Moving Forward With Gratitude

After 38 years, Samaritan Counseling Center has moved into a new home. We have been blessed with this opportunity to move to a nearby, yet larger office where we can better serve our clients. This is a large and wonderful opportunity for us to grow and reach out to others who can benefit from our [services](#). Although this time of transition is a busy one, it also allows us to reflect on where we started and how far we have come throughout these 38 years. It is through the hard work from our staff and board members, and the support of our leaders and our community that has allowed us to continuously move forward and be able to serve others. At this time we would especially like to extend much appreciation and gratitude to First Presbyterian Church for their hospitality and longstanding support these past 38 years and to several members, including Ian Richardson and his crew, who have helped considerably during the move. A special thanks also goes out to the many volunteers and our board members who have spent numerous hours packing, moving, organizing, cleaning, as well as building and installing all that was needed in our new office. We could not have done this move without you.

This move may be bittersweet for some, however, it marks a new chapter for Samaritan Counseling Center. As with any change or progress in life, we embrace the challenge and embark upon our new and great endeavor.
