

# S.T.E.P.S. WORKSHEET

*The steps in successful teaching.*

## Setting out to teach

Are you committed to being a teacher, your child's best teacher?

## Targeting a skill to teach

Our target skill is \_\_\_\_\_

Did you describe it in behavioral, observable terminology?

## Establishing separate steps

Using Task Analysis, break your target skill down into steps. Describe each step below:

---

---

---

---

## Picking rewards

Write down some rewards that you will use in teaching your child

_____	_____
_____	_____

## Setting the stage for maximizing success

How will you "set the stage" for success?
